Dear Ms. Gunderman:

Re: CORPS
St. Lawrence Wind Energy Project
Towns of Cape Vincent and Clayton

Thank you for requesting the comments of the State Historic Preservation Office (SHPO). The SHPO has reviewed the 2007 to 2008 Archaeological Comparison Overview Map, prepared by TRC (October 13, 2008), and the October 16, 2008 letter, prepared by Dr. Richard Will (TRC), in accordance with Section 106 of the National Historic Preservation Act of 1966, as amended.

Based upon this review, the SHPO does not recommend any additional Phase IB archaeological testing.

Please continue to consult with John Bonafide, SHPO Technical Unit Supervisor, and Anthony Gonyea of the Onondaga Nation regarding the effects of this project on historic properties.

Sincerely,

Nancy Herter, Archaeology
